Specification

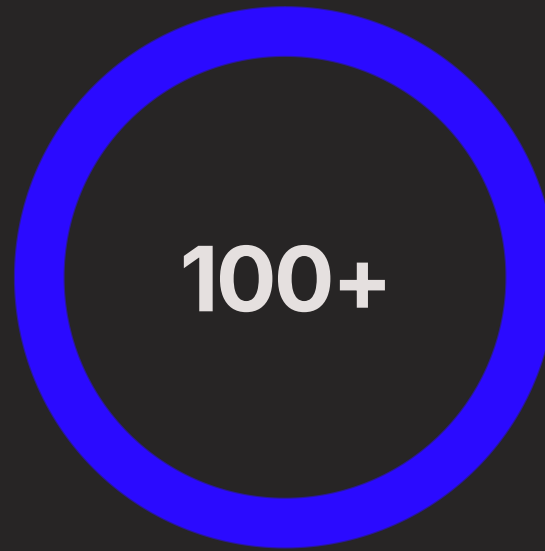

Item	Description
Goods	Copper strip, steel coil, wire coil, aluminum coil, etc.
Coil Width	30 - 500 mm
Coil Outer Diameter	600 - 1600 mm
Coil Inner Diameter	508 mm
Coil Weight	100 - 4000 kg
Packaging Materials	VCI film, LLDPE stretch film, PVC
Packaging Inner Diameter	76 mm
Packaging Outer Diameter	100 - 250 mm
Packaging Width	20 - 450 mm (confirmed after design)
Packaging Speed	Approx. 20-40 coils per hour
Overlap Rate	20% - 90%
Power Supply	380 V, three-phase five-wire
Hydraulic Supply	140 bar
Air Supply	6 to 8 kgf/m ²

Top leading manufacturer 15 years

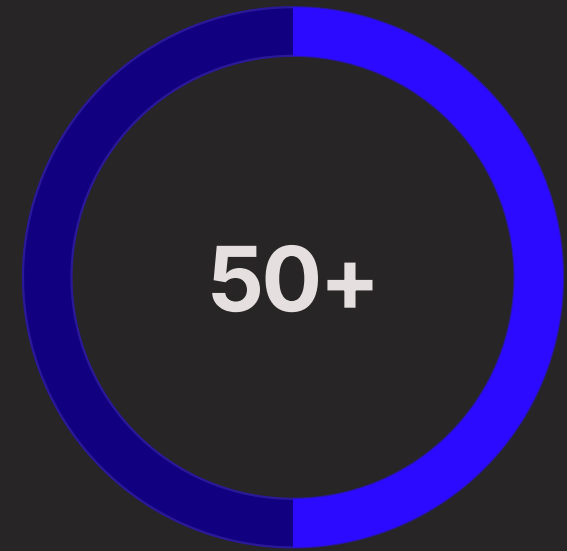

Years

Provide the coil packing solution with customized requirement

Projects

From Semiauto to automatic coil wrapping and handling machines

Staffs

Top leading technical team from production to afters service

Automated Coil Packing: A Customized Solution

Custom Design

Tailored to fit your specific coil dimensions and production line layout.

Multi-Material

Packing lines compatible with steel, copper, wire, and hose coils.

Seamless Integration

Conveyor systems connect seamlessly with your existing production line.

Unlocking Efficiency: The Benefits

1 Increased Efficiency

Automated systems significantly boost packing speed and throughput.

2 Enhanced Safety

Reduced manual handling minimizes risks and ensures a safer work environment.

3 Lower Labor Costs

Automation reduces the need for manual labor, cutting operational expenses.

4 Consistent Quality

Precise, repeatable packing ensures consistent quality and minimizes damage.

Decades of Expertise: Innovation & Customization

2010: Founding

Established as a coil packing solutions provider.

1

2

3

4

2015: Global Reach

Began exporting to international markets.

2014: Expansion

Expanded product line to include customized solutions.

2025: Leader

Recognized as a top automatic coil packing line manufacturer in China.

Customized Coil Packing Line Solutions

Coil Wrapping

Ideal for coils that need to be protected from dust and moisture.

Coil Strapping

Suitable for sea worth coils packing for stable and secure packing.

Coil Stacking

Cost-effective solution for general coil storage and transportation.

ERP system

Provides a intergrate control system with slitting line and management system.

About Our Factory

With 15 years of experience in manufacturing, our team specializes in providing customized solutions for coil handling, from initial design to on-site support.

- **OEM/ODM Services**
- **Used Machines**
- **Door-to-Door Delivery**
- **Installation & Commissioning**
- **Life long technical supportive**
